20161026 Anaconda Proposed Plan Layout Draft1\_combined edits.docx  
removed.txt

Looks like some to most of the contractor comments from HQ comments you have already addressed. I have huge concerns with some of the latter comments/edits in the alternatives sections, but I guess we can talk about those Monday.

The attached document is entirely jumbled due to formatting blockiness.

The changes and comments are intact but you will have to play around with it to make sure you have everything that may be hidden by a box or figure.

Good luck. Talk Monday.

Jeryl
